* All submitted models listed above are of course first checked for completeness and functionality by Mannayan GmbH & Co. KG prior to the actual trade-ins. For a successful trade-in, the device must be complete and functional! Please note that only ONE old model can be returned per purchase of a new Diamond Shield!

Please check the Diamond Shield, you want to purchase:

- D.S. IE (489 €)
 D.S. Crystal (629 €)
 D.S. Professional (899 €)

Please indicate here (if necessary), which new chipcards you would like to buy. The following applies to the taking back of old chipcards: You will receive a discount of 10 € for each old chipcard you send us. This discount will only be credited to you when you buy new chipcards!
